Proponents shall note the following amendments to the RFP documents:

QUESTIONS AND CLARIFICATIONS

Q1. Does the City have a budget range in mind for this work?

A1. The budget will not be disclosed at this time to encourage flexibility and innovative solutions. However, the Scope of Services (Sections 3.1 to 3.4) outlines the project's scale, expectations, and requirements, providing sufficient guidance to support the budgeting process.

Q2. I did not see any preferences listed for materials, so can I assume that the City would welcome a proposal for a playground made of wood?

A2. The project permits the inclusion of small, limited wooden elements, such as wooden stumps in the Natural Unstructured Play Area (see Appendix A – Norm Staff Park Revitalization Drawings). However, it is not intended to feature a playground primarily constructed of wood.

Q3. Will the City accept more than one (1) design for the above-noted Request for Proposal?

A3. As stated Section 3.2 of the RFP, Proponents are limited to offering one (1) design.
