Park Amenity Donation Program

Park Amenity Donation Program

Contributions to Coquitlam’s gifting program serve to enhance the beauty and enjoyment of the City’s parks and open spaces. Any interested citizen, community group, business or visitor can donate a park amenity. Celebrate friends, family and important events with an inscribed plaque on a donated park bench, specimen tree, picnic table, chair or games table. Or, consider a legacy amenity such as a picnic shelter, sport court, table tennis or foosball table or outdoor exercise equipment.

Look through this catalogue to see what there is to choose from and also check our park maps at www.coquitlam.ca/gifting to select the location. You can donate a new amenity, adopt an existing park bench or renew or replace a previously donated amenity.

Renew or Replace a Donated Amenity

Most amenities have a donation term of ten years - you may choose to continue a donation through renewal or replacement, or you may decide to end the donation. If you have a donation nearing its ten-year term, please contact Parks Customer Service to discuss next steps (contact info is on the front and back of this brochure).

All donations include a recognition plaque.
