Coquitlam Parks, Recreation, Culture and Facilities

Welcome to Coquitlam

Parks, Recreation, Culture and Facilities

We acknowledge with gratitude and respect that the name Coquitlam was derived from the hən̓q̓əmi̓ñəh̓ (HUN-kuh-MEE-num) word kʷikʷəł̓əm (kwee-KWET-lum) meaning “Red Fish Up the River”. The City is honoured to be located on the kʷikʷəł̓əm traditional and ancestral lands, including those parts that were historically shared with the q̓íçəy̓ (kat-zee), and other Coast Salish Peoples.

Swim for Life – Parent and Tot (4 – 36 months)

The Parent and Tot program structures in-water interaction between parent/guardian and child to stress the importance of play in developing water-positive attitudes and skills.

Swim for Life – Preschool (3 – 5 yrs)

Our Preschool program teaches kids to have a healthy respect for water safety. With our progression-based approach, we work to ensure 3 – 5 year olds become comfortable in the water and have fun while developing a foundation of swimming skills. Water Smart® education is included in all Preschool levels.

Swim for Life – Swimmer (6 – 16 yrs)

Swimmer program teaches school-aged children how to be safe in, on, and around the water. Each of the 6 levels challenges swimmers to develop safe entries, deep water support, underwater skills, and swimming strokes. Swimmers will learn healthy habits by getting wet and staying fit in the water. Swimmer levels include fun, hands-on activities for developing skills and attitudes that last a lifetime.

Swim for Life – Swim Patrol (6 – 16 yrs)

The Lifesaving Society's three-level (Swimmer 7-9) Swim Patrol program further builds on participants' swimming strokes and introduces the rescue of others in skills such as talk, throw and reach rescues, calling 911 and victim removals. Skill drills enhance capability in the water, good physical conditioning and lifesaving judgment.

Swim Workshop (6 – 16 yrs)

Stroke Workshops provide targeted support for swimmers who need extra help with stroke progression in our Swimmer program. Participants can choose from four focused workshops—Front Crawl, Back Crawl, Whipkick, and Breaststroke—each designed to reinforce key techniques and build confidence in specific skills. These sessions complement regular lessons and offer extra practice to help swimmers progress more successfully through their levels.

Group Fitness Class Rules

How to have a positive class experience:

- Obtain a fitness drop-in ticket (*available 30-min. prior to class start*) from the front desk and provide to class instructor.
- Numbers on the tickets reflect class size and does not indicate your spot on the floor or order of entry. Floor spots are first come first serve.
- Avoid leaving water bottles or other items to save spots for yourself or friends.
- Leave those heeled or open-toed shoes behind—athletic shoes are best or bare feet for yoga!
- Enjoy being unplugged! Please turn off cell phones and other devices.
- Be air aware and avoid the use of scented products whenever possible.
- Respectful language is the only option in our classes.

Be On Time

Remember to be on time for class. Arriving late may disrupt those around you and may not allow for a sufficient warm up and class introduction.

Please note instructors may deny late entry based on class design.

Wristbands

Wear your wristband as proof of admission. The band must be sealed to be valid and must be worn on your wrist or shoe.

If you have any questions, comments, or suggestions, please email fitness@coquitlam.ca
