

## ***Maillardville is moving in a new direction***

You told us you want to keep certain aspects of your neighbourhood's unique historic past while looking to the future. This Open House is your opportunity to let us know if the ideas we developed with your input are moving us closer to a vibrant and distinctive neighbourhood.

Hundreds of residents participated in the last Open House, so be sure to turn out early to avoid the line ups.

*Refreshments will be served.*

# Maillardville

**With your input we are creating a new plan to strengthen the future of this historic community by:**

- \* introducing opportunities for new innovative housing types to be built in existing single family neighbourhoods;
- \* exploring the types and locations of new public plazas;
- \* preserving and reinforcing Maillardville's heritage expression;
- \* adding new park and outdoor recreation experiences;
- \* protecting streams and enhancing creeks;
- \* improving bicycle and pedestrian routes through the neighbourhood; and
- \* introducing directions for new and updated building design guidelines and streetscape standards.
